Vocabulary Jeopardy	☑		☑

Vocabulary Jeopardy uses Microsoft PowerPoint to display answers and questions similar to the way the television Jeopardy operates. Templates are available via the listed web sites, so you can easily create your own Jeopardy Games. There are also games created by classroom teachers that are available for free on the web. Your students can help brainstorm categories for the Jeopardy game, which can be supplemented by your own questions/answers from the text and other unit materials (Bear, Invernizzi, Templeton, and Johnson, 2000).
